Subject: UCSC Presentation at 4/21 public mtg
[UCSC Community Presentation on Shipyard cleanup.pptx](#)

Bradley Angel & Marie Harrison hosted the attached presentation by UC SC technical advisors Dan Hirsch and his students. NBC news cameras filmed it. So we expect this will be on the news at some point. We had been sending Dan Hirsch information and discussed it with him in a 4/12/16 technical mtg. He failed to mention in his presentation that EPA is reviewing every SUPR compared to the current version of the PRG's, even though I had sent the PRG calculation tables to him via email 3 times with links to online versions of the full documents.
